

Fun With Math

Complete by finding the value of each symbol

$$\begin{array}{ccccc} \text{Flower} & + & \text{Grass} & = & 5 \\ \text{Flower} & + & \text{Flower} & = & 6 \\ \text{Grass} & + & \text{Grass} & = & ? \end{array}$$

$$\text{Grass} = \underline{\quad}$$

$$\text{Flower} = \underline{\quad}$$

$$\begin{array}{ccccc} \text{Hammer} & + & \text{Hammer} & = & 2 \\ \text{Saw} & + & 3 & = & 15 \\ \text{Saw} & + & \text{Hammer} & = & ? \end{array}$$

$$\text{Hammer} = \underline{\quad}$$

$$\text{Saw} = \underline{\quad}$$

Answer Key

Complete by finding the value of each symbol

$$\begin{array}{l} \text{Flower} \text{ (3)} + \text{Grass} \text{ (2)} = 5 \\ \text{Flower} \text{ (3)} + \text{Flower} \text{ (3)} = 6 \\ \text{Grass} \text{ (2)} + \text{Grass} \text{ (2)} = 4 \end{array}$$

$$\text{Grass} = 2$$

$$\text{Flower} = 3$$

$$\begin{array}{l} \text{Hammer} \text{ (1)} + \text{Hammer} \text{ (1)} = 2 \\ \text{Saw} \text{ (12)} + 3 = 15 \\ \text{Saw} \text{ (12)} + \text{Hammer} \text{ (1)} = 13 \end{array}$$

$$\text{Hammer} = 1$$

$$\text{Saw} = 12$$
