

Fun With Math

Complete by finding the value of each symbol

$$\text{Chair} + \text{Chair} + \text{Chair} = \text{Umbrella}$$

$$\text{Table} + \text{Chair} = \text{Umbrella} \quad \square \quad \square$$

$$\text{Umbrella} + \text{Sofa} = \text{Table} + 3$$

$$12 - \text{Chair} = 10 \quad \square \quad \square$$

$$\text{Table} - \text{Sofa} = ? \quad \square \quad \square$$

$$\text{Umbrella} = \underline{\hspace{2cm}}$$

$$\text{Chair} = \underline{\hspace{2cm}}$$

$$\text{Sofa} = \underline{\hspace{2cm}}$$

$$\text{Table} = \underline{\hspace{2cm}}$$

Answer Key

Complete by finding the value of each symbol

$$\begin{array}{|c|c|c|c|c|c|} \hline \text{Chair} & + & \text{Chair} & + & \text{Chair} & = & \text{House} \\ \hline 2 & & 2 & & 2 & & 6 \\ \hline \end{array}$$

$$\begin{array}{|c|c|c|c|c|c|} \hline \text{Table} & + & \text{Chair} & = & \text{House} & & \\ \hline 4 & & 2 & & 6 & & \\ \hline \end{array}$$

$$\begin{array}{|c|c|c|c|c|c|} \hline \text{House} & + & \text{Sofa} & = & \text{Table} & + & 3 \\ \hline 6 & & 1 & & 4 & & \\ \hline \end{array}$$

$$\begin{array}{|c|c|c|c|c|c|} \hline 12 & - & \text{Chair} & = & 10 & & \\ \hline & & 2 & & & & \\ \hline \end{array}$$

$$\begin{array}{|c|c|c|c|c|c|} \hline \text{Table} & - & \text{Sofa} & = & 3 & & \\ \hline 4 & & 1 & & & & \\ \hline \end{array}$$

$\text{House} = \underline{6}$

$\text{Chair} = \underline{2}$

$\text{Sofa} = \underline{1}$

$\text{Table} = \underline{4}$
